

# Top 10 Reasons

## Design Professionals Choose Mumby For Business Insurance

### You work hard to ensure your business grows and develops.

Can you be sure that if something happens that jeopardizes your business that you have the right coverage to suit your special needs as a design professional?

#### What You Get

#### How You Get It

- |                                    |  |
|------------------------------------|--|
| 1. <b>Objective Advice</b>         | Your interests come first. We work for you, not the insurance company.   |
| 2. <b>Choice</b>                   | We can shop around to find you the coverage and premium that suit you best.  |
| 3. <b>Professional Advice</b>      | We have in-depth knowledge that ensures you are adequately covered.  |
| 4. <b>Personal Care</b>            | When you call, you get personal attention from someone who knows you.  |
| 5. <b>Convenience</b>              | We make it easy to do business with us.  |
| 6. <b>Confidential Claims Help</b> | We will ease a stressful situation by advocating on your behalf.   |
| 7. <b>Specialized Attention</b>    | We make it our business to understand the unique needs of your specialized business.   |
| 8. <b>Money Saving Plans</b>       | We are in the best position to find the package deals that can save you money.   |
| 9. <b>Desire to Help</b>           | We genuinely care about our clients and conscientiously work to build long-term customer relationships through comprehensive product knowledge and excellent service.  |
| 10. <b>Kaizen</b>                  | We have embraced the Japanese principle of Kaizen. Kaizen activities continually improve all functions of our business including staff education. Because we “know our stuff”, you can be assured that we’ll be able to meet your needs. |
